

## RESERVATION AGREEMENT

January 01, 2024

To Avalon PEG or whomever else it may concern, the Tranche identified as such: [ 2024-4466-00123 ] is under current consideration. The ensuing reservation is open on a first come first serve basis.

Avalon and the undersigned prospective Partner(s) agree to the following terms:

- PROJECT:** Avalon is currently looking to purchase the residential property(ies) / project associated with the Tranche identified above.
- PURPOSE:** This page is for Reservations and Funding consideration exclusively. Proceeding past this point signifies the signatory, electric or otherwise, agrees to opt-in to our Reservations process. Registration funds are held in escrow or other agreed upon manner until at least one property or project is under control of Avalon. Submitting this reservation" also indicates signatory is opting-in to our Non-Disclosure / Non-Compete policy, and Terms of Service as outlined herein.
- NOTIFICATION:** Once you Submit Reservation you will be notified as to if you have won the opportunity to participate in the designated Equity pool indicated in perspective submission.
- WINNING PARTNERS:** Time is of the essence. All reservations are taken on a "first come first serve" basis. Equity Partners who win the opportunity to participate in one or more of our Equity Pools will be notified immediately. Upon notification each Partner will have forty eight hours to establish accounts necessary to engage with Avalon. Winners of the open Capital Call who do not make funds available will be replaced by the runner up submission. Non-performance will cause prospective Partner to be removed from any future consideration.
- TIER ONE INITIATION:** All Equity Cap Partnerships start at Tier One (See scale below) to initiate and familiarize with Avalon's management of the fund. Partners may participate in one or more larger pools thereafter. Our Equity Cap Partner offerings range from the low thousands into several million dollars. Partners may opt in to more than one "Tier One" propositions.
